

We suggest that if you are planning to order cards for Christmas gifts, that you order them by Dec. 11th in order to be sure for delivery. We will still order on the 18th, but will not guarantee that you will receive them before Christmas.

Also, January 8, 2012 will be the last day we order cards for rebates to be paid at Nominating Meeting.

DSW - Designer Shoe Warehouse® - has joined the list of retailers. The DSW Gift Card is available in a \$25 denomination with a 9% rebate. The card is redeemable at participating DSW store locations and online at DSW.com.

iTunes and Starbucks will be offering a 2% bonus for three weeks, starting November 26 and running through December 16. That means the rebate for Starbucks will be 9%, and iTunes will be 7%.

Happy Holidays,

Wayne & Linda
